LEGISLATIVE COUNSEL'S DIGEST

SB 4, as amended, Lara. Health care coverage: immigration status.

Existing law, the federal Patient Protection and Affordable Care Act (PPACA), requires each state to establish an American Health Benefit Exchange that facilitates the purchase of qualified health plans by qualified individuals and qualified small employers, and meets certain other requirements. PPACA specifies that an individual who is not a citizen or national of the United States or an alien lawfully present in the United States shall not be treated as a qualified individual and may not be covered under a qualified health plan offered through an

exchange. Existing law creates the California Health Benefit Exchange for the purpose of facilitating the enrollment of qualified ~~individual~~ *individuals* and qualified small employers in qualified health plans as required under PPACA.

Existing law governs health care service plans and insurers. A willful violation of the provisions governing health care service plans is a crime.

This bill would require the Secretary of California Health and Human Services to apply to the United States Department of Health and Human Services for a waiver to allow individuals who are not eligible to obtain health coverage because of their immigration status to obtain coverage from the California Health Benefit Exchange. The bill would require the California Health Benefit Exchange to offer qualified health benefit plans, as specified, to these individuals. The bill would require that individuals eligible to purchase California qualified health plans pay the cost of coverage without federal assistance. These requirements would become operative when federal approval of the waiver is granted. ~~If federal approval is not granted on or before January 1, 2017, the bill would create the California Health Exchange Program For All Californians within state government.~~

~~The bill would require that the California Health Exchange Program For All Californians (Program) be governed by the executive board that governs the California Health Benefit Exchange. The bill would specify the duties of the board relative to the program and would require the board to, by a specified date, facilitate the enrollment into qualified health plans of individuals who are not eligible for full-scope Medi-Cal coverage and would have been eligible to purchase coverage through the Exchange but for their immigration status. The bill would create the California Health Trust Fund For All Californians as a continuously appropriated fund, thereby making an appropriation, would require the board to assess a charge on qualified health plans, and would make the implementation of the program's provisions contingent on a determination by the board that sufficient financial resources exist or will exist in the fund. The bill would enact other related provisions.~~

~~The bill would require health care service plans and health insurers to fairly and affirmatively offer, market, and sell in the program at least one product within each of the 5 levels of coverage, as specified. Because a violation of the requirements imposed on health care service plans would be a crime, the bill would impose a state-mandated local program.~~

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions. The federal Medicaid Program provisions prohibit payment to a state for medical assistance furnished to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law.

This bill would extend eligibility for full-scope Medi-Cal benefits to individuals *under 19 years of age* who are otherwise eligible for those benefits but for their immigration status. *The bill would also extend eligibility for either limited scope Medi-Cal benefits or full-scope Medi-Cal benefits to individuals 19 years of age and older who are otherwise eligible for those benefits but for their immigration status if the department determines that sufficient funding is available.* The bill would require these individuals to enroll into Medi-Cal managed care health plans, and to pay copayments and premium contributions, to the extent required of otherwise eligible Medi-Cal recipients who are similarly situated. The bill would require that benefits for those services be provided with state-only funds only if federal financial participation is not available. Because counties are required to make Medi-Cal eligibility determinations and this bill would expand Medi-Cal eligibility, the bill would impose a state-mandated local program.

~~The~~

This bill would require the State Department of Health Care Services to develop a transition plan for individuals under 19 years of age who are enrolled in restricted-scope Medi-Cal as of a specified date, the effective date of the bill, and who are otherwise eligible for full-scope Medi-Cal coverage but for their immigration status, to transition directly to full-scope Medi-Cal coverage. The bill would require the department to notify these individuals, as specified.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: ~~yes~~*no*. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

26 coverage from the Exchange by waiving the requirement that the
27 Exchange offer only qualified health plans.

28 (b) The Exchange shall offer qualified health benefit plans ~~which~~
29 ***that*** shall be subject to the requirements of this title, including all

5 availability of health care coverage through the program. The board
6 shall also undertake outreach and enrollment activities that seek
7 to assist enrollees and potential enrollees with enrolling and

29 a minimum, the manner in which funds were expended and the
30 progress toward, and the achievement of, the requirements of this
31 title. This report shall be transmitted to the Legislature and the
32 Governor and shall be made available to the public on the Internet
33 Web site of the program. A report made to the Legislature pursuant

38 proposed state legislation or policy issues. The Legislature finds
39 and declares that activities, including, but not limited to, responding
40 to legislative or executive inquiries, tracking and commenting on

1 ~~legislation and regulatory activities, and preparing reports on the~~
2 ~~implementation of this title and the performance of the program;~~

11 ~~comply with the duties, responsibilities, and requirements of this~~
12 ~~title.~~

22 ~~(u) Facilitate the purchase of qualified health plans in the~~
23 ~~program by qualified individuals no later than January 1, 2016.~~

24 ~~(v) Require carriers participating in the program to immediately~~
25 ~~notify the program, under the terms and conditions established by~~
26 ~~the board when an individual is or will be enrolled in or disenrolled~~
27 ~~from any qualified health plan offered by the carrier.~~

28 ~~(w) Ensure that the program provides oral interpretation services~~
29 ~~in any language for individuals seeking coverage through the~~
30 ~~program and makes available a toll-free telephone number for the~~
31 ~~hearing and speech impaired. The board shall ensure that written~~
32 ~~information made available by the program is presented in a plainly~~
33 ~~worded, easily understandable format and made available in~~
34 ~~prevalent languages.~~

35 ~~100534. (a) The board may do the following:~~

36 ~~(1) Collect premiums.~~

37 ~~(2) Enter into contracts.~~

38 ~~(3) Sue and be sued.~~

1 ~~(4) Receive and accept gifts, grants, or donations of moneys~~
2 ~~from any agency of the United States, any agency of the state, or~~
3 ~~any municipality, county, or other political subdivision of the state.~~

4 ~~(5) Receive and accept gifts, grants, or donations from~~
5 ~~individuals, associations, private foundations, or corporations, in~~

10 ~~emergency regulations in accordance with the Administrative~~
11 ~~Procedure Act (Chapter 3.5 (commencing with Section 11340) of~~
12 ~~Part 1 of Division 3 of Title 2). The adoption of these regulations~~
13 ~~shall be deemed to be an emergency and necessary for the~~
14 ~~immediate preservation of the public peace, health and safety, or~~
15 ~~general welfare.~~

16 ~~(7) Collaborate with the Exchange and the State Department of~~
17 ~~Health Care Services, to the extent possible, to allow an individual~~
18 ~~the option to remain enrolled with his or her carrier and provider~~
19 ~~network in the event the individual experiences a loss of eligibility~~
20 ~~for enrollment in a qualified health plan under this title and~~
21 ~~becomes eligible for the Exchange or the Medi-Cal program, or~~
22 ~~loses eligibility for the Medi-Cal program and becomes eligible~~
23 ~~for a qualified health plan through the program.~~

24 ~~(8) Share information with relevant state departments, consistent~~

26 ~~the administration of the program.~~

27 ~~(9) Require carriers participating in the program to make~~

29 ~~directory of contracting health care providers so that individuals~~
30 ~~seeking coverage through the program can search by health care~~
31 ~~provider name to determine which health plans in the program~~
32 ~~include that health care provider in their network. The board may~~

33 with the requirements of this section. The department shall develop
34 a transition plan for those ~~currently enrolled~~ individuals *under 19*

(1) Which Medi-Cal managed care health plan or plans contain his or her existing emergency care provider, if the department has this information and the emergency care provider is contracted with a Medi-Cal managed care health plan.

(2) That the restricted scope enrollee *who is under 19 years of age*, subject to his or her ability to change as described in paragraph (3), will be assigned to a health plan that includes his or her emergency care provider and enrolled effective January 1, 2014. If the enrollee *who is under 19 years of age* wants to keep his or her emergency care provider, no additional action shall be required if the emergency care provider is contracted with a Medi-Cal managed care health plan.

(3) That the restricted scope enrollee *who is under 19 years of age* may choose any available Medi-Cal managed care health plan and primary care provider in his or her county of residence before January 1, 2016, if more than one such plan is available in the county where he or she resides, and he or she will receive all provider and health plan information required to be sent to new enrollees and instructions on how to choose or change his or her health plan and primary care provider.

(4) That in counties with more than one Medi-Cal managed care health plan, if the restricted scope enrollee *who is under 19 years of age* does not affirmatively choose a plan within 30 days of receipt of the notice, he or she shall be enrolled into the Medi-Cal managed care health plan that contains his or her emergency care provider as part of the Medi-Cal managed care contracted network, if the department has this information about the emergency care provider, and the emergency care provider is contracted with a Medi-Cal managed care health plan. (7) That the restricted scope enrollee *who is under 19 years of age* may choose not to transition to the full-scope Medi-Cal program, and what this choice will mean for his or her health care coverage and access to health care services.

~~SEC. 8. The Legislature finds and declares that Section 100538 of the Government Code, as added by Section 3 of this act, imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:~~

1 ~~In order to ensure that the California Health Exchange Program~~
2 ~~For All Californians is not constrained in exercising its fiduciary~~
3 ~~powers and obligations to negotiate on behalf of the public, the~~
4 ~~limitations on the public's right of access imposed by Section 3~~
5 ~~of this act are necessary.~~

6 ~~SEC. 9.~~

7 *SEC. 5.* No reimbursement is required by this act pursuant to
8 Section 6 of Article XIII B of the California Constitution for certain
9 costs that may be incurred by a local agency or school district
10 because, in that regard, this act creates a new crime or infraction,
11 eliminates a crime or infraction, or changes the penalty for a crime
12 or infraction, within the meaning of Section 17556 of the
13 Government Code, or changes the definition of a crime within the
14 meaning of Section 6 of Article XIII B of the California
15 Constitution.

16 However, if the Commission on State Mandates determines that
17 this act contains other costs mandated by the state, reimbursement
18 to local agencies and school districts for those costs shall be made
19 pursuant to Part 7 (commencing with Section 17500) of Division
20 4 of Title 2 of the Government Code.
